

Thrilling roads
lead you ahead.
Rustic experiences
hook you back.

Where would you go?

Presenting,

Offbeat Peru,
on wheels

13th to 25th Nov, 2025

An adventurous drive through timelessness

With a history that spans 4 millenia, Peru has picked the best pieces from different eras and interweaved itself into a spectacular land, that's just incomparable.

Visit magical histories with Machu Picchu- a citadel built in 1400s, time travel to 700 AD with the Nazca Lines geoglyphs, or jump to the 16th century through the Inca Empire. Wrapped in breathtaking hues and stunning backdrops, experience it all through its beautiful roads, rustic landscapes and thrilling drives.

Treat the driving freak in you with long and empty roads that touch the horizon, and also with the rustic off-roads that leave dust clouds behind. Drive along Pacific coasts, soaring peaks, sand dunes and lush green plains. Not to mention, furry alpacas and llamas that'd photo-bomb your selfies every now and then... Indeed a trip filled with hundreds of 'once-in-a-lifetime' experiences!
